DRAW SHAPES AND LINES

STAMPS THE LEAVES WITH COLOUR

AUTUMN IS A MAGIC NATURE GIVES
US.
A WONDERFUL GIFT OF COLOURS ...

CITY OF MODENA
«Nature...
...is our house...»

Davide (5 years old)

Pre-school S. Forghieri
School Year 2020/2021

«Nature proposes itself as form and form of art, an overall huge palette of dynamic colours and shades in which it is hard to meet repetitions and colour and formal homologations continuously changing. Nature offers itself to exploration both at micro and macro-level depending on the observing style and on everyone wish of individual relation».

L. Malavasi

**DURING AUTUMN, IN THE SCHOOL GARDEN
NEW COLOURS CAN BE OBSERVED**

LUCA M.: NOW TREE LEAVES FALL
ALL DOWN ON THE GROUND

JACOPO V.: BEFORE THERE WERE
LEAVES AND THEN NO. NOW THEY
PEEL (THE TREES), IT MEANS
LEAVES FELT DOWN

**LEAVES PRINT WITH
WATERCOLOURS**

...AND NEW ELEMENTS HAVE BEEN DISCOVERED...

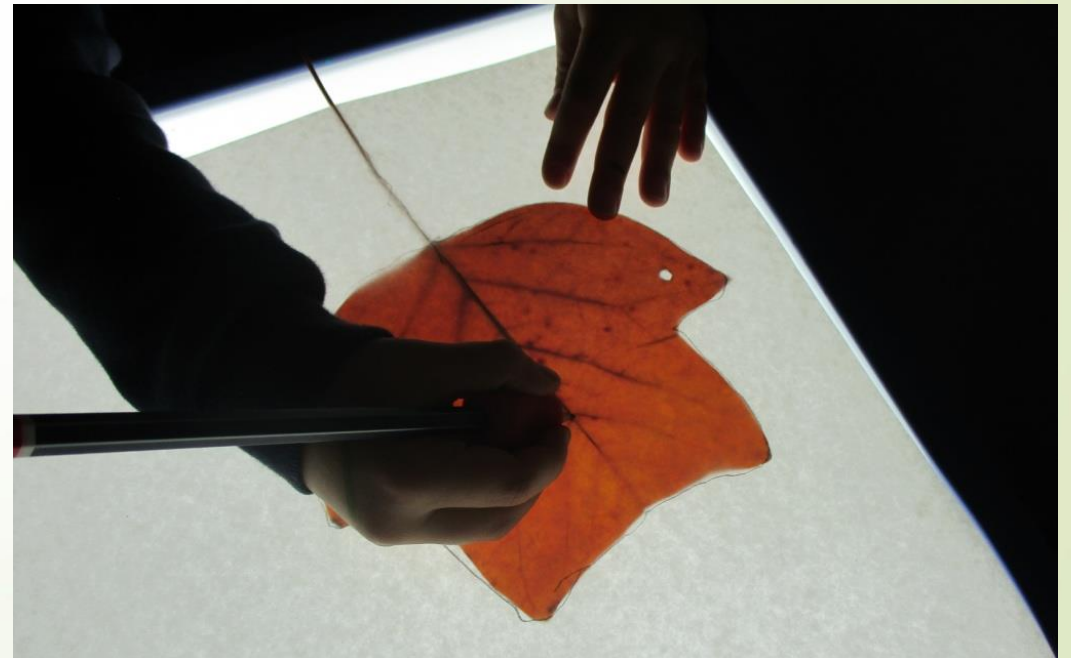

AURORA M.: WE COLLECTED LEAVES, WE LOOKED AT THEM ON OVERHEAD PROJECTOR, WE SAW LEAVES STRIPS

EVAN: WE SAW LEAVES **GRAINS**...IT IS LIKE PRINTING, ITS NOT LIKE THE PRINTER, BUT WE STAMPED THANKS TO LEAVES SHAPE

TEACHER: WHAT ARE THE **GRAINS**?

EVAN: ARE THOSE **KEEPING US HEALTHY**, ARE THOSE **KEEPING LEAVES HEALTHY**

**OBSERVING THE GARDEN...
THANKS TO CAMERA,
CHILDREN CAN NOTICE
CHANGES**

GIOVANNI: CAN I TAKE A
PHOTO OF MUSHROOMS? I
KNOW WHERE THEY ARE.

FRANCESCO: WE HAVE TO
BE CAREFUL NOT TO MASH
THEM, THEY ARE FRAGILE

GIOVANNI: I TOOK A PHOTO OF THE FOG

TALKING ABOUT AUTUMN....

DAVIDE: LEAVES CHANGE COLOUR CAUSE OF THE WIND AND FOG

SOFIA C.: LEAVES WERE GREEN AND NOW THEY ARE TURNING INTO RED

CAROLINA: NOW WE DRESS UP WITH HEAVY CLOTHES BECAUSE IT IS COLD, WE DRESS UP WARM, WARM THINGS AS THIS SWEATSHIRT THAT IS THICK AND WARM

AMBRA G.: LEAVES FALL DOWN BECAUSE THEY DRY
TEACHER: WHAT DOES IT MEAN DRY?
MATTEO: THAT THEY CRUMBLE
EVAN: THEY BECOME WITHOUT WATER AND THEN THEY BECOME AS CRUMPLED LEAVES
